Dear Parents and Carers

## Ofsted Report, 11<sup>th</sup>-13<sup>th</sup> October 2022

Please find attached a copy of our recent Ofsted report. The report is now on our website and will appear on the Ofsted website by the end of this week.

It is the first qualitative inspection of our new school, and we are very proud of it! You will see that we have met all the independent school standards and been judged 'Good' in all areas.

I think it is a generally fair report and is the culmination of a very rigorous process.

I will leave you to read the full report but wanted to point out some highlights:

*'Pupils are well cared for, happy and safe'.*

*'The needs of every pupil are well understood. This helps to remove any potential barriers to learning so that every pupil can attend school and have the opportunity to be successful'.*

*'Pupils gain confidence, begin to understand their place in the world, build and maintain high quality relationships and recognise themselves as individuals'.*

*'The curriculum is designed to meet pupils' needs'.*

*'Pupils are taught to read well' & 'Staff develop pupils' love of reading'.*

*'Leaders check that pupils are achieving as well as they should, and that support is matched appropriately to individual learning needs'.*

Happy reading!

With best wishes,

*David Clarke*
