BREAKS

Welcome to Aurora Foxes

Aurora Foxes offers fun and adventurous holiday breaks for young people with learning disabilities.

Support and assistance is provided by Aurora Foxes and Reynard Care and Support Agency's highly trained and qualified staff. All staff are DBS checked at an enhanced level and have a range of qualifications in the education and health & social care sector. Each young person has a plan of care for their stay developed through risk assessment in conjunction with their parent or Carer prior to the holiday break.

Holiday breaks run from Sunday to Sunday during the Easter, summer and Christmas holiday periods. We look forward to welcoming you on a holiday break and giving you an opportunity to make new friends, explore new horizons and enjoy our renowned hospitality.

'My favourite trip was to Lynton and Lynmouth along the coast. I have come to spend time with friends and also to chill out. When I go home I will be starting my new well paid job. That makes me happy.'

'I came to enjoy a break from my job in a garden centre cafeteria and meet other young people. I really enjoyed the wtrip to a country fayre and dinosaur and wildlife park.'

**It's good to know how safe we
are in the community here.'**
