<b>Version Number:</b>	<i>5.0.1</i>
<b>Applies to:</b>	<i>Schools</i>
<b>Associated documents:</b>	<i>Curriculum policy PSHE policy Child protection policy</i>
<b>Approved by:</b>	<i>Quality</i>
<b>Implementation date:</b>	<i>September 2024</i>
<b>Next review due by:</b>	<i>September 2025</i>
<i>This policy has been reviewed to ensure it promotes safeguarding and does not present barriers to participation or disadvantage any protected groups</i>	

## 1. Aims

This policy aims to:

Provide a framework in which sensitive discussions can take place. Through the curriculum we will help prepare children and young people for puberty, and to understand the importance of health and hygiene and sexual development. We will teach the correct vocabulary to describe themselves and their bodies. At Aurora we help our children and young people to develop feelings of self-respect, confidence and empathy and create a positive culture around issues of sexuality and relationships.

## 2. Legislation and statutory requirements

This Policy fulfils the requirements of:

- › **The Department for Education's** Statutory guidance on relationships education, relationships, and sex education (RSE) and health education. [\(RSE\) 2021](#)
- › Section 34 of the [Children and Social work act 2017](#).

## 3. Scope

This policy applies to all staff, children, and young people at Aurora Brooklands.

## 4. Roles and responsibilities

### 4.1 The Site Lead will:

4.1.1 Be responsible for ensuring that RSE is taught consistently across the school, and for managing requests to withdraw pupils from non-statutory/non-science components of RSE.

### 4.2 Staff will:

4.2.1 Deliver RSE in a sensitive way.

4.2.2 Model positive attitudes to RSE

4.2.3 Monitor progress.

4.2.4 Respond to the needs of individual pupils

4.2.5 Respond appropriately to young people whose parents wish them to be withdrawn from the non-statutory/non-science components of RSE.

Staff do not have the right to opt out of teaching RSE. Staff who have concerns should discuss them with the Site Lead.

## 4.3 The governing board will:

4.3.1 The governing board will hold the headteacher to account for the implementation of this policy.

## 4.3 Children/young people will:

4.3.1 Engage fully in RSE and treat others with respect and sensitivity, when discussing related issues.

## 5. Definitions

RSE is about the emotional, social, and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information and exploring issues and values. RSE is not about the promotion of sexual activity.

## 6. Policy development

This policy has been developed in consultation with staff, pupils, and parents. The consultation and policy development process involved the following steps:

- Review
- Staff consultation
- Parent consultation
- Pupil consultation
- Ratification

## 7. Curriculum

7.1 RSE is delivered in a non-judgmental, age-appropriate, factual, and inclusive way that allows pupils to ask questions in a safe environment. Approaches such as distancing techniques and use of classroom question boxes (encouraging pupils to use their names) will allow pupils to raise issues or ask questions which they may find embarrassing.

7.2 Teachers will ensure that pupils' views are listened to and will encourage them to ask questions and engage in discussion. Ground rules will be developed and shared with pupils as part of best practice. Ground rules help to ensure discussions and personal questions/comments are managed appropriately and sensitively, along with those questions which are more challenging.

7.3 Core knowledge is sectioned into units of a manageable size.

7.4 Taught content provides opportunities to revisit previous content and allows clear progression. Topics and lessons are carefully sequenced, within a planned scheme of work.

7.5 Teaching includes sufficient and well-chosen opportunities and contexts for pupils to embed new knowledge so that it can be used confidently in real-life situations.

- 7.6 The curriculum proactively addresses issues in a timely way in line with current evidence on pupils' development as well as their age.
- 7.7 Groupings will be carefully considered by teachers and senior leaders (including the Designated Safeguarding Lead as appropriate) - some classes may be taught in gender specific groups, on a one-to-one basis or within a whole class setting - dependent on the nature of the topic being delivered at the time, the cultural, religious or personal background of pupils, their age and SEND.
- 7.8 All resources will be selected carefully – inappropriate/illegal images and videos will not be used in any circumstances and all related school policies will be followed.
- 7.9 Care will be taken to ensure that there is no stigmatisation of any pupil based on their home circumstances and needs, to reflect sensitively that some children may have a different structure of support around them, e.g. children in care or young carers.
- 7.10 There is an awareness that some pupils are more vulnerable to exploitation, bullying and other issues due to the nature of their SEND and appropriate actions will be taken to mitigate this.
- 7.11 There is a balance between teaching pupils about making sensible decisions to stay safe (including online), whilst being clear it is never the fault of any child who is abused and why victim blaming is always wrong.
- 7.12 It must be recognised that young people may be discovering or understanding their sexual orientation or gender identity and all pupils should feel that the content is relevant to them and explored at a timely point and in a clear, sensitive and respectful manner.
- 7.13 Content related to LGBT+ is fully integrated into a range of topics, rather than delivered as a stand-alone unit or lesson.
- 7.14 There is a focus on challenging perceived derogatory views about the legally protected characteristics of age, disability, gender reassignment, marriage/civil partnership, pregnancy/maternity, race, religion/belief, sex and sexual orientation, through exploration of, and developing mutual respect for, those different to themselves.
- 7.15 Steps will be taken to foster healthy and respectful peer-to-peer communication and provide an environment which challenges perceived limits on pupils based on their gender or any other protected characteristic.
- 7.16 There is awareness of issues such as sexism, misogyny, homophobia, gender stereotypes, sexual violence and harassment, with positive action taken to build a school culture within which these are not tolerated.
- 7.17 Awareness of the issues of sexting and youth produced sexual imagery are not taught in isolation and instead are taught as part of a developmental PSHE programme.

## 8. Delivery of RSE

Working with external agencies can sometimes enhance our delivery of RSE, bringing in specialist knowledge and different ways of engaging pupils. Examples might include a School Nurse or a representative from the NSPCC Speak Out/Stay Safe Program. The school would only use visitors to enhance teaching provided by our school staff, not to replace it. Staff employed by the school will be present during any RSE session delivered by an external visitor commissioned by the school. It will be agreed with any visitor how confidentiality will work in any lesson and how safeguarding reports are to be dealt with in line with the school Child Protection Policy and Procedures. Where external experts are invited to assist from time-to-time with the delivery of RSE, they will be expected to comply with the provisions of this policy. In line with the usual procedures and policies of our school, we will check the credentials of all external agencies, and we will ensure the teaching delivered by any external experts fits with the planned curriculum and provisions of this policy. The school will discuss with the visitor the details of how they intend to deliver their sessions and ensure that content is age-appropriate and accessible for all pupils. The school will request copies of the materials and lesson plans the visitor will use, to ensure it meets the full range of pupils' needs. Where a pupil is involved from specialist external agencies, discussions between those agencies and appropriate senior staff in school, including the school's Designated Safeguarding Lead (DSL), are important to ensure that RSE lessons are delivered in a way that is most appropriate for the individual child.

## 9. Safeguarding and child protection

At Aurora Brooklands we are aware that discussion with children and young people during RSE lessons, may lead to a disclosure. If this happens, we will follow the procedures described in

our Child Protection Policy. Ensuring that the needs of the child/young person are met sensitively and in a timely manner are paramount to everything that we believe in.

## 10. Parents right to withdraw

Parents of primary age pupils do **not** have the right to withdraw their children from relationships education. Parents of secondary age pupils do have the right to withdraw their children from the non-statutory components of sex education within RSE up to and until 3 terms before the child turns 16. After this point, if the child wishes to receive sex education rather than being withdrawn, the school will arrange this.

To opt a child/young person out of RSE lessons, complete Appendix 2 and return it to the Assistant Headteacher who will then arrange a meeting to discuss your request with you.

## 10. Training

Staff are trained on the delivery of RSE as part of their induction and it is included in our continuing professional development calendar.

The headteacher may also invite visitors from outside the school, such as school nurses or sexual health professionals, to provide support and training to staff teaching RSE.

## 11. Monitoring arrangements

This policy will be reviewed annually by Katie Lyon, Assistant Headteacher
