## How Parents, Carers, or Children Can Report Safeguarding Concerns

- **Children at Risk:** If a child or young person is being abused or neglected and you cannot report via the school, contact Derbyshire Children's Services at **01629 533190**.
  - **Adults at Risk:** Contact **01629 533190** or email [ascmarsh@derbyshire.gov.uk](mailto:ascmarsh@derbyshire.gov.uk) (9 am to 5 pm, Monday to Friday).

- 

## 18.3 Non-Collection of Children

If a child is not collected at the end of the day:

1. Staff will attempt to contact parents/carers and alternative emergency contacts.
  2. If contact cannot be made, staff will remain with the child while notifying the duty social work team to seek advice or make a referral.
- 

## 18.4 Missing Pupils/Children

If a child goes missing, Ryefields School will:

1. Follow its missing child protocol, which is available on request.
2. Notify the police and social services as necessary.

Ryefields recognizes several reasons why children might miss education, including transitions, exclusions, or family moves. We work proactively with families and local authorities to ensure consistent attendance and act according to statutory guidance on children missing education. For more details, see [Government Guidance on Children Missing Education](#).

---

## 18.5 Safeguarding Approach at Ryefields School

As a special needs service, Ryefields School understands the increased vulnerabilities of our children. Communication barriers and negative experiences in education or care may make it more challenging for children to disclose concerns.

### Our Key Safeguarding Strategies:

- **Team Meetings and Progress Reviews:** Regular reviews to monitor possible risks and signs of abuse.
- **Relationship Building:** Ongoing efforts to develop strong, supportive relationships with students and families.
- **PSHE Curriculum:** Lessons addressing peer-on-peer abuse, appropriate relationships, and personal safety.

Safeguarding education is delivered regularly to empower students and ensure they know how to seek help if needed.

## 18.6 Creating a Safe and Inclusive Environment

Ryefields School is committed to safeguarding all children. We will always act in the child's best interests and follow local and national procedures to ensure their safety.
