The Aurora Group, we believe in giving people the opportunities they need to lead fulfilling, independent lives. Established in 2015, we are now one of the largest providers of education, care and support services for children, young people and adults with special educational needs and disabilities.

Across our network of pioneering schools, colleges and residential homes, our dedicated and experienced staff work in collaboration with specialist teams of professionals to enable every individual to explore and develop their own unique talents, skills and abilities.

Over 92% of our inspected services are rated Good or Outstanding.

We're also proud to be ranked in the top 15% of B Corps globally, following our achievement of B Corp certification in 2024.

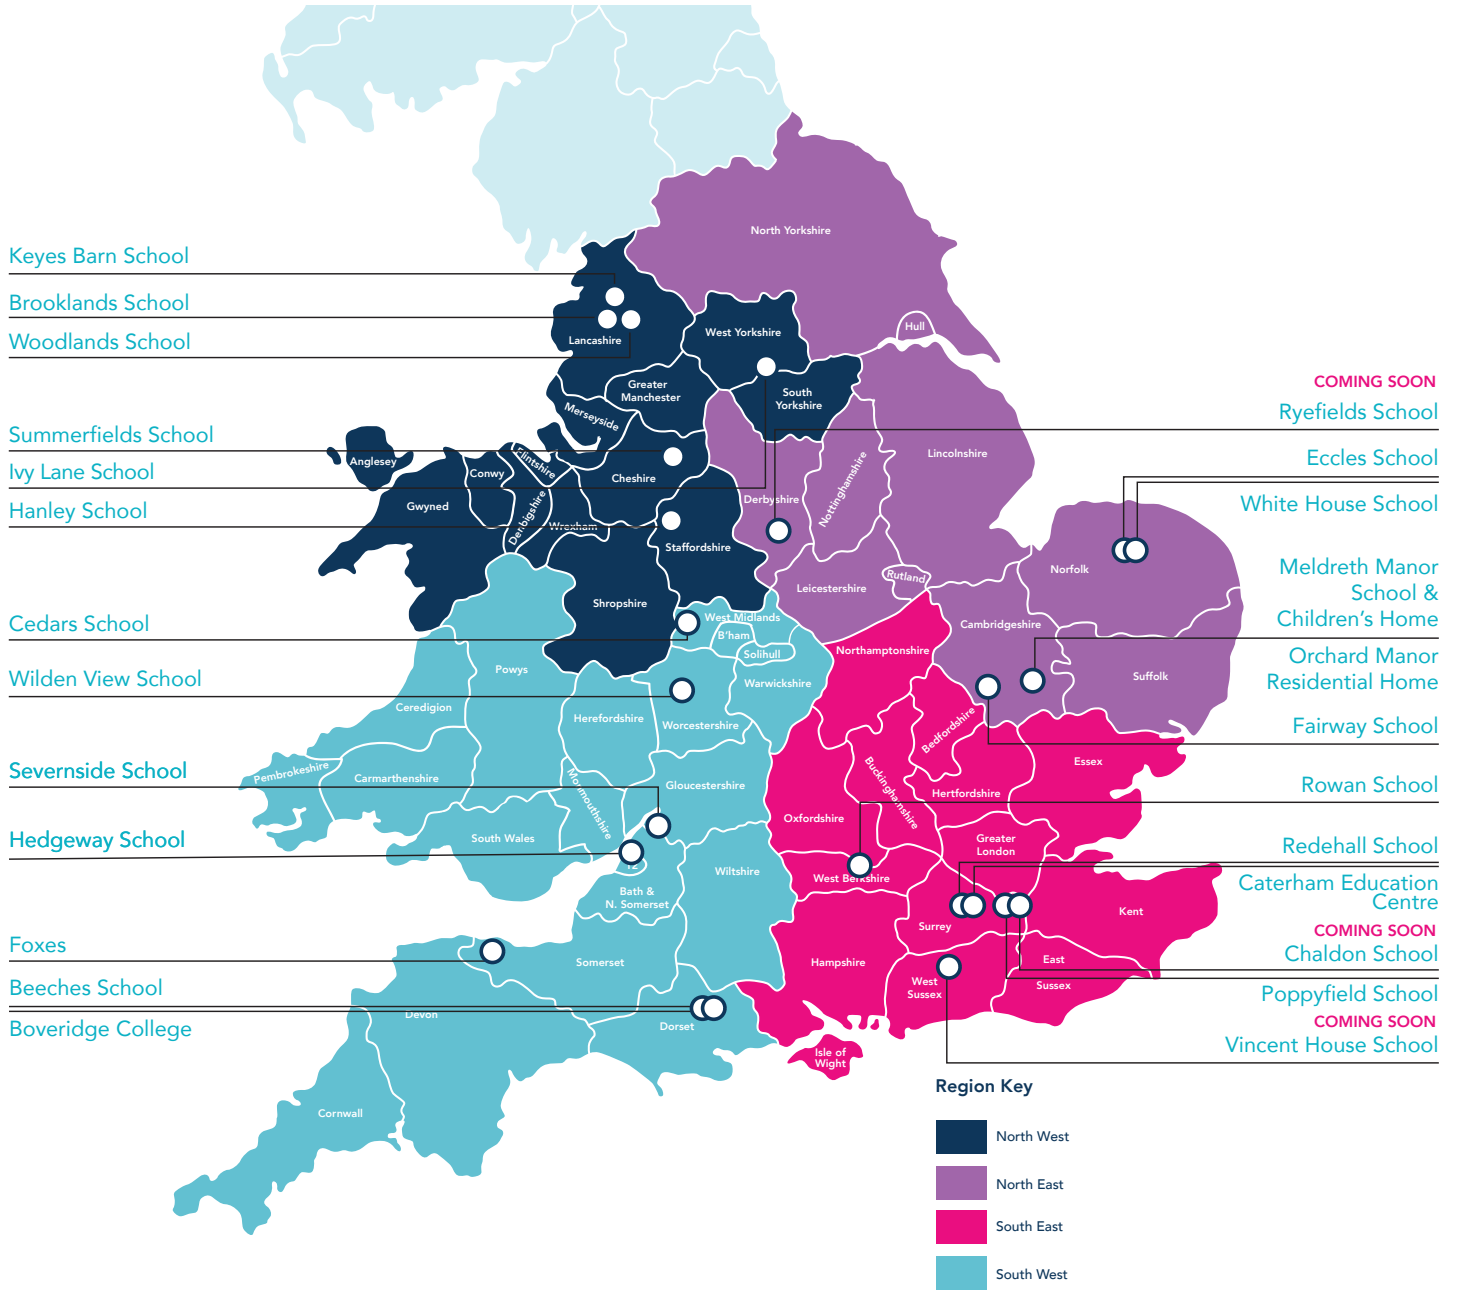

Our mission

Our mission is to provide innovative, high quality education, care and support, enabling all children and young people to thrive and fulfil their aspirations.

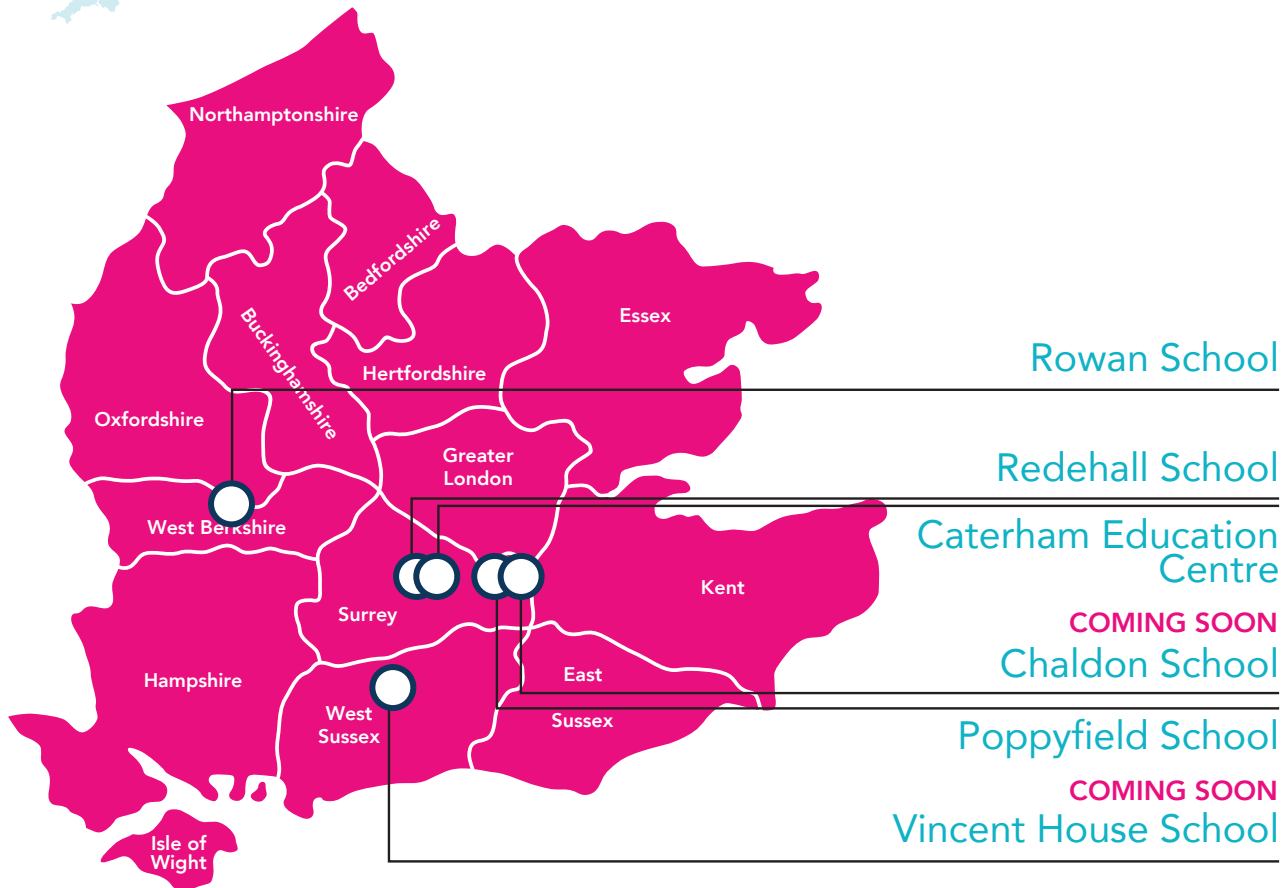

Our vision

Our vision is to be trusted as the provider and employer of choice, transforming the lives of a growing number of children and young people.
